

The Students' Competition

*“Make concrete alive”*

**COMPETITION**

**RULES**

## A. GENERAL

1. The Regulations define the rules for the organization of an international *fib* Competition for students under the name "**Make concrete alive**", hereinafter referred to as the "Competition" and the rules for selecting winners.
2. The Competition is run by the Organizational Committee of fib Symposium 2019 hereinafter referred to as the "Symposium".
3. Supervision over the Competition is exercised by the Organizing Committee of the Symposium. The Committee evaluates the Competition entries and selects the winners of the Competition.
4. The Organizer of the Competition, hereinafter referred to as the "Organizer" or "Organizer of the Competition" is the Organizing Committee of the Symposium.
5. The Competition is open and international.
6. The Competition may be attended by teams of adult students of the bachelor or master studies at public or private universities. Each team may have from 1 to 4 members.
7. Competition entries may be sent by teams referred to in point 6 of this regulations, subject to prior application within the prescribed period. The registration sheet is available at [www.fibkrakow2019.pl](http://www.fibkrakow2019.pl).
8. The Competition is one-stage and includes the evaluation of all submitted entries that meet the formal conditions set out in these Regulations.
9. The Contest Participant may not submit more than one work.
10. Participation in the Competition is free.

## B. THE AIM OF THE COMPETITION

The goal of the Competition is to promote knowledge about concrete constructions in a creative and innovative way. Thanks to the adopted formula of the Competition, the Participants will have the chance to present and promote on the international arena characteristic constructions made of concrete in their homelands. The Committee among the submitted entries selects the Winners, whose works best fulfill Competition tasks and are characterized by an interesting concept, an original or innovative approach to the Competition task, and also take into account innovative material and technological solutions.

## C. COMPETITION ENTRIES

1. A Competition entry is understood as a concept submitted to the Competition, which is an original response of the Participants to Competition tasks.
2. The Competition work must meet the following formal conditions:
  - a) the prepared object must be functional and aesthetic,

- b) the sum of all dimensions of the element cannot exceed 4 m and its weight cannot exceed 100 kilograms,
  - c) the method of making the element, its dimensions and construction-material solutions should enable its multiplication (prefabrication) and ensure the required durability and the possibility of using it as intended,
  - d) the Competition work must be the team's authorship,
  - e) the finished object should contain of the fib Cracow 2019 logo, which will be an element complementing the item in an interesting and innovative way. The organizer does not impose the method of preparing the logo.
  - f) the finished item should be photographed, displaying the object with a visible logo nearby / against the background of a known, characteristic concrete structure in the Participant's country.
  - g) the application should be accompanied by a film (max. 2 minutes long) showing the course of works related to the implementation of the Competition task.
  - h) the completion work must have its own title granted by the participant team;
3. The entries must be done by the Participant and must not infringe on copyrights and related third parties. In case of violation of these rights, the Competition Participant is responsible.

#### D. ELIGIBILITY RESTRICTIONS

1. The condition of participation in the Competition is:
  - a) registration before the deadline by completing the relevant registration form. The link to the form is available on the website [www.fibsymposium2019.pl](http://www.fibsymposium2019.pl) and on the profile [www.facebook.com/fibkrakow2019](https://www.facebook.com/fibkrakow2019).
  - b) entries that do not meet the requirements set out in the Regulations will not be evaluated, which is tantamount to not qualifying entries for the Competition.
2. The Competition Participant Team, by sending a Competition entry, thereby agrees to the unlimited and free presentation by the Organizer of all or part of his Competition work, together with the name of the team, names and surnames of the authors, the name of the university, design, engineering or other place of employment of the authors and the image of the author (authors) as part of the Competition and the promotion of the Symposium.
3. The teams, registering for the Competition, agree to the processing of their personal data. The participant team has the right to access their personal data and the right to correct them. It may also at any time withdraw the previously expressed consent to the processing of personal data, by sending an appropriate statement to the following address: [mail@fibkrakow2019.pl](mailto:mail@fibkrakow2019.pl) . Withdrawal of consent is equivalent to resignation from participation in the Contest.
4. All costs related to the participation in the Competition and the preparation of Competition entries shall be borne by the Team.
5. Sending a job is tantamount to accepting the Competition regulations.
6. The Contest Organizer does not return the submitted works.

7. The Organizer reserves the right to ask the Team to reproduce the submitted Competition entry in the number of 200 pieces for promotional purposes of the Symposium. In case of duplication of the Competition work, the Organizer will cover the cost of material and transport of additional copies.

## **E. SCHEDULE**

1. Registration and Submission of works by 28 February 2019.
